

Name:

Goe Strength: 5kyu

I am Albert and I am 11 years old. I started playing Go three and a half years ago at the club in Vatra Dornei, under the guidance of Mihaela Taranu.

I was attracted to this game from the beginning, and as I deepened my knowledge, my interest in it grew. I reached 5k by participating in various national and international competitions. My goal is to get closer to the achievements of my Sensei, Catalin Taranu, as soon as possible.
