Goe Strength 3D

I started to play go when I was 7 and I became shodan in summer 2023. I come from a go family – my father, mother, grandfather and my uncles also play go. I won the Czech Youth Go Championship U12 in 2021, 2022, 2023 and 2024. In 2024 I won the European Youth Go Championship U12, in 2023 I won the SEYGO EGC tournament U12 and in 2022 I participated in the World Championship in U12 category. Besides go, I like swimming, hiking and playing Minecraft or Brawl Stars.
