**Name:** Kevin Su  
**Goe Strength** 4D

Kevin Su started learning go in 2016 at the age of 8, following the suggestion of his father. He later received mentorship at the JCY Swim and Go School under the guidance of two-time national championship winner with the Shanghai Go Team Cathy Li (1P). When not solving tsumegos, Kevin can be found in the server rooms of various online go platforms such as fox and gopanda, where he hopes to further his passion and skill for the game.
